

CONSENT & RELEASE

CLIMBING / RAPELLING

CAUTION

- Any climbing activity has **inherent risks** and may result in serious injury or death.
- When you climb **you are responsible** for taking the time to learn safe techniques, and the proper use and limitations of each piece of climbing gear.
- Climbing or rappelling is not a requirement and you **may refuse** to engage in any part of the activity if you feel uncomfortable about it.

I realize that climbing and rappelling is a high-risk, potentially dangerous sport. I, therefore, knowingly accept this risk, and agree to release PATHFINDER CLUB and its employees and agents and the OREGON CONFERENCE OF S.D.A's from responsibility for any injuries which I may suffer as a result of participation in climbing/rappelling at said organization's facility.
